AMENDMENT

In response to the Official action mailed August 23, 2007, please amend the specification and claims of the application as shown on the attached pages.

REMARKS

Claim 16, which was originally inadvertently worded as a duplication of claim 15, has been amended to introduce the original intended wording.

As seen in the attached claim amendments, claim 7, which has been indicated as allowable if re-written in independent form, is now the base claim in the application and claims 1, 2, 6 and 14 have been cancelled. Claims 3, 10 and 15 have been amended to depend from claim 7 and original claims 4, 5, 8, 9, 11 - 13, and 17 - 20 have been retained.

Paragraph 0015 of the specification is to be replaced by the attached paragraph
